Install Glasswalls as Easy as 1-2-3!

- 1** Glasswalls arrive complete - a window package with everything in place, including full length screens. (Storm panels optional.)
- 2** Glasswalls fit together in simple "building block" style. Constructed from strong, maintenance-free materials that will not rust, rot, oxidize, corrode, pit or peel. Glasswalls make living easier.
- 3** Each additional unit works like the first... making it so easy to build a complete wall of any length. The completely assembled wooden frame is made of clear pine and is free from defects and preservative treated for protection against wind, rain, and snow.
