## How To Order

For order to be processed, the following must be included:

**QTY** – Quantity, specify unit count in this box.

**MODEL** – Model Number – Utilize from price and specification sheets (example 0901, 0602, etc.)  
**COLOR** – See Option Codes - Choose WH for white or BG for beige.

**WDGRN** – Woodgrain – See Option Codes – Choose LO/Lt Oak; DO/Dark Oak; or CH/Cherry.

**MFG SIZE** – **WIDTH** – Fill in exact desired width to 1/8" (no cutbacks will be figured at mfg)

**HEIGHT** – Fill in exact desired height to 1/8" (no cutbacks will be figured at mfg)

---

The following sections require filling out only those options which should be included in that window.

**HINGE** – If casement window is ordered Hinge Left (HL) or Hinge Right (HR) must be specified.

**GLASS OPTION** – See Option Codes/Glass Options must be filled in if glass option is wanted.

**GRID OPTIONS** - See Option Codes/Grid Styles, use codes to specify Grid Option Style and Specify Grid Pattern (example 2121 denotes 2 vertical, 1 horizontal in both sashes)

**OBS FULL** – Obscure Glass in all lites of window.

**OBS BOTT** – Obscure Glass in bottom lite of Single and Double Hung windows only.

**TEMP FULL** – Tempered Glass in all lites of window.

**TEMP BOTT** – Tempered Glass in bottom lite of Single and Double Hung windows only.

**SCREEN OPTIONS** - **FULL** – Fiberglass Full Screen (Fiberglass Half Screen is Standard)

**ALUM FULL** – Aluminum Full Screen

**ALUM HALF** – Aluminum Half Screen

**SCREEN LOCK** – Screen Lock see Price List for availability

**FOAM WRAP** - See Price List for availability on window models

**FOAM FILL** - Available on Ultramax double hung and sliders only.

**ORIEL** – Unequal sash sizing on double hung windows.

**ORIEL DIM** – Distance from top of window (header) to the center of the meeting rail must be specified.

**HDR EXP** – Header Expander is an ordered option on all replacement windows.

---

### ORDERING MULLED WINDOW UNITS – EXAMPLE

Specify 1 mulled unit 96" x 48" (exact size)

Consisting of: 2 – 0901 WH – width & height

1 – 0904 WH – width & height

Specify option on each line item. Allow 1/8 for each mullion on all models except for 0600 and Casement/awnings which are zero clearance mulled.

---

### ORDERING REMAKES – The following information is needed for processing remake orders:

1. Inv #/Factory Order #
2. Order Date
3. Model #
4. Color
5. Glass/Screen Option
6. Product or Part Required
7. Serial #

Other ordering questions can be directed to your local sales representative or customer response representative.
