

Easy Choice Delivery Program

For Mullin Direct Wholesale's active dealers in South Dakota, Minnesota, Iowa and Nebraska

It's your choice:

1. You may pick up any order at our warehouse or have us ship it freight collect.

Or

2. Get delivery in the immediate Sioux City metro area for a \$15 drop charge.

Or

3. Outside our city limits: Within 150 road miles of our Sioux City warehouse, **Mullin will deliver or ship your order of at least \$250 for a \$45 drop charge.**

Over 150 road miles from our warehouse, orders of at least \$250 are shipped prepaid by common carrier - customer pays the first \$30 of the freight cost, Mullin pays the next \$30 of freight cost, and the customer pays the balance. ***NO drop charge on deliveries to one account at one location, totaling \$2,000 or more. Orders of less than \$250 may be picked up or shipped freight collect.***

Note: Windows cannot be shipped by common carrier. Window orders must be picked up at our warehouse or delivered by Mullin Direct Wholesale.

We are pleased to offer regular, scheduled truck deliveries to your warehouse or job site for all of our products: Siding, Awnings, Shutters, Windows and Doors, Patio Covers, and Trim Items. Deliveries are made to your location on a set day. Your Mullin Direct sales rep may also drop off very small items (*small enough and short enough that they could be shipped UPS*) from their van, when they are in the area. Our sales reps are not allowed to carry long, heavy or large items. Period. There is a \$15 drop charge for these deliveries.

All truck orders must be called in by noon the day before your scheduled delivery. **Returns will be accepted by our driver on a "space available" basis if you have called ahead to make arrangements for returns. No returns will be accepted for special order** and custom items, or for cut or damaged materials. All returned merchandise must be in resalable condition or it will not be accepted. There is **no restocking fee for merchandise returned within 60 days** of purchase. Items returned after 60 days will be charged a 20% restocking fee. **NO CREDIT** will be given for items returned 90 days after purchase.

A small drop charge is added for delivery, and there is a minimum purchase requirement for this service. Location mileage is based on road miles from our Sioux City, Iowa warehouse as determined by Mullin. The "minimum purchase" required is based on your net cost of delivered goods. Mullin may use either our own delivery truck or an alternate trucking company, and if we choose to use a truck line, your delivery will come freight-prepaid.
